

HARSVAL workshop - AGENDA
FAIR Data Principles and Data Formats
20-21 June, 2024

1 DAY - 20 June (Thursday)

10:00 - 10:15	Opening of the workshops - welcoming the guest
10:15 - 11:30	Session 1 - Norwegian Meteorological Institute (MET.NO)
	FAIR data, science to service, SIOS, data centres
	Open Discussion - Q&A with MET.NO
11:30 - 12:00	Coffee break
12:00 - 13:00	Session 2 - Norwegian Meteorological Institute (MET.NO)
	Practical part - the SIOS data access portal
	Guided exploration (live demonstration)
	Practical tasks and challenges for participants
13:00 - 14:00	Lunch break
14:00 - 18:00	Session 3 - Polish National Science Centre (NCN)
14:00 - 16:00	FAIR DATA principle and Data Management Plan (DMP)
16:00 - 16:15	Coffee break
16:15 - 16:45	Open Table - Q&A with NCN
16:45 - 17:00	Coffee break
17:00 - 18:00	Workshop - simulation of experts panel evaluating DMP
18:00 - 22:00	Barbecue

2 DAY - 21 June (Friday)

09:00 - 11:00	Session 4 - Norwegian Meteorological Institute (MET.NO)
	Introductory presentation on CF-NetCDF including THREDDS and OPeNDAP
	Practical part - Workshop on how to work with CF-NetCDF files in either Python or R
11:00 - 11:30	Coffee break
11:30 - 13:00	Session 5 - Norwegian Meteorological Institute (MET.NO)
	Practical tasks on preparing user data sets and convert them to CF-NetCDF
13:00 - 14:00	Lunch break
14:00 - 15:30	Session 6 - Warsaw University of Technology
	Geospatial Data Formats and Metadata Standards
15:30 - ...	End of the workshop
